

**SCHOOL OF BUSINESS AND INDUSTRY (SBI)
FOR ACADEMIC CREDIT INTERNSHIPS**

Successful completion of internship(s) for academic credit is a curriculum requirement for most SBI majors. See chart below for clarification.

Internship(s) Required	Internship(s) Recommended
Accounting (2) One (1) academic credit per internship	Supply Chain Management
Business Administration (2) One (1) academic credit per internship	Economics
Business Administration w/Facilities Management (2) One (1) academic credit per internship	
Economics w/minor in Business (1) Four (4) academic credits	
Professional MBA (3) One (1) academic credit per internship	

The SBI internship certification process requires students be enrolled in an internship course simultaneously while completing the internship.

Academic credit for SBI internship curriculum requirements is obtained by successful internship performance and satisfactory completion of the internship course. No academic credit can be given to students for simply completing an internship.

Note: Please see the SBI Career Partner/Employer Internship Policies for additional information.
